#### ***Caravanserai - Traces, Places, Dialogue in the Middle East***

*Both photo essay and travelogue, this stunning volume documents the caravanserais of the Levant region in the Middle East. Tom's powerful photographs are illuminated by contributions from some of the most eminent writers, thinkers, and journalists specializing in the Middle East and foreign relations. The result is an engaging new perspective on both the history and current-day affairs of this region.*

*Photographs and texts by Tom Schutyser  
Introduction by Andrew Lawler  
Contributions by Reza Aslan, Rachid al-Daif, Robert Fisk, Dominique Moïsi, Paul Salem*

*(Bilingual English/French, English cover)*
